Fairway Villas Grandkids' Club

The Club is collecting school supplies to be donated to Families Forward Resource Center in NE Denver. They are supporting various groups/schools in need. Children in low-income families face many barriers to success impeding their ability to learn leading to social, emotional, and behavioral problems.

Fairway Villa residents can help by removing some of these barriers and giving these kids the tools, they need to be prepared for learning. Not to mention the “warm fuzzies” you feel by helping others.

We're approved to place a bin in the Clubhouse entry for the collection. Deadline for collection is August 7th.
