IMPORTANT NOTICE

All of you should have received a request from Westwind regarding the biennial age audit verification. It is imperative that all of you respond. We need to verify to HUD that we meet the age 55 requirement in order to maintain our status as a 55+ community. The letters request property lot and block numbers; you can find that information on your last property tax bill or from Sabrina in the office. Please keep in mind that Westwind is authorized to issue warnings and possibly take additional disciplinary action against those who fail to submit their responses. Thank you in advance for your cooperation.
