

### Notes From the Office:

\*Pool Maintenance: Because the pool was just emptied, thoroughly cleaned, and now balanced again, we are taking this moment to remind you to shower before entering the pool area, and after using the restroom before getting back into the pool. This helps keep the chemicals balanced and the pool clear. Thank you for your cooperation!

\*Gym Equipment: We appreciate your attention to the sanitation of all machines, weights, and gym equipment in between users. While we want to ensure you continue wiping equipment down with the wipes provided, please also being conscientious of the number of wipes you are using.

\*We will be starting the transition of some of our content off the [www.clubfv.com](http://www.clubfv.com) website. The month of March will be the last month we update the google calendar that is posted to the website. Please refer to Calendars on TownSq, or the Events tab also on TownSq for PDF versions. Registration for events will continue through the clubfv website.

## Active Minds – Vietnam

Over half a century after U.S. withdrawal, Vietnam is a very different country with a bustling economy and relatively friendly relations with the United States. ## Fairway Villas Giving Corner

Over the past several weeks an ever-growing group of our Fairway Villas residents have gone above and beyond to support the migrants that have been staying in hotels close to our community. What started off as a small group, has grown to dozens and dozens of your FV neighbors cooking, donating, sorting clothing and diapers, and supporting our fellow human beings in need. We want to first give all those that helped in any small way, a huge THANK YOU!!! If you'd like to hear more or get involved, please reach out to Patti Davis via email-
