

Notes From the Office:

*Security: You may have noticed that we have been updating our security throughout the Club and Lodge. Please do your part by ensuring both buildings are secure, especially when you are the last to leave an event. Group Leads—please take the initiative and make sure all doors and access points are secured when you leave or appoint a specific person if you are leaving before the event is over. Thank you for keeping our facilities safe!

*Ladies Locker Room – We have ordered a new swimsuit dryer to replace the one that broke this week. Once it is placed, please do not move the dryer from its location into the shower area.

*Our Sub-District Manager, Sabrina Lopez, CMCA, AMS was recently approved by Community Associations Institute (CAI) to sit for the prestigious PCAM credential, which is the highest credential in the Community Association industry. Let's wish her luck on her journey to becoming Goodwin's first PCAM in Colorado!

*We will be starting the transition of some of our content off the www.clubfv.com website. The month of March will be the last month we update the google calendar that is posted to the website. Please refer to Calendars on TownSq, or the Events tab also on TownSq for PDF versions. Registration for events will continue through the clubfv website.

*Please do not park in the clubhouse, lodge, or garden parking lots overnight.
